CITY'S VISION

HOW DO WE “LOVE”?

- We love through our Weekend Worship Experiences.
- Our Halloween and Easter events help us touch the community.

HOW DO WE “BUILD”?

- Through our Build class we equip you with the foundational doctrines of Jesus, and at the same time inform you of ways that you can grow stronger in the Lord here at City.

HOW DO WE “LEAD”?

- Through our teams you become a servant leader and you can appropriate this idea of serving in relationships with friends, family and in becoming a true servant to God. For a servant is the ultimate leader.
